EOS Announcement for the selected FiberHome IPRAN Series Product

Dear Customers:

To help you better cope with challenges brought by market changes and technological innovations, FiberHome hereby solemnly informs you of the key lifecycle milestones for the selected IPRAN Series products. We hope that this information can provide you a reference on making future product plans.

Milestone	Description
EOS	End of Service & Support. It refers to the last date of the service. After the EOS date, no technical support or technical consulting services will be provided for the selected IPRAN Series products.

The selected IPRAN Products Lifecycle Milestones, Descriptions

FiberHome would like to advise that you upgrade your product to recommended substitutes listed in the following table so that we can continue to provide you with high-level services.
